

I wonder what life will be like
in 365 days!

Many people have tried to predict the future and some have been more successful than others.

Why not try out your psychic skills and tell us what life will be like a year from now.

- What are your hopes and dreams?
- What will you be better at?
- What will be different?
- What will be the same?
- What does the future hold?

You can present your information in any way you choose. Be as creative as possible!
