1850

In 1837, Britain was still a **rural** nation with 80% of people living in the **countryside** – by 1850 over 50% of people lived in the towns and cities.

What do you think happened to cause this massive change in the way we lived?

Research the events that changed Victorian life and create an interactive presentation to explain what you find out. You can present it any way you choose.
