Thank you for sharing your views. Here is how we responded and what we agreed to follow up after the meeting.

| YOU SAID                                                                                                 | WE RESPONDED / NEXT STEPS                                                                                                               |
|----------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Wraparound care<br>We would like to know more about the activities on offer.                             | We explained the activities available, including reading and outdoor play. The team will share a weekly overview of planned activities. |
| PTFA meetings<br>Could parents join PTFA meetings online?                                                | We agreed to arrange a Microsoft Teams invitation for the next PTFA meeting.                                                            |
| Stationery<br>Some items on the stationery list were not needed.                                         | We agreed to issue clear stationery lists for each key stage.                                                                           |
| Pen licences<br>Can a pen licence be withdrawn once awarded?                                             | We clarified that it should not be withdrawn. Mrs Collins will investigate the concern raised.                                          |
| Early Years pantomime<br>Will a pantomime company visit Early Years this year?                           | Mrs Collins will confirm the arrangements.                                                                                              |
| Nursery uniform<br>Could we consider a different polo shirt colour because of marks from messy play?     | Mrs Collins will explore consultation on the colour of Nursery polo shirts.                                                             |
| School ties<br>Some children, including those with SEN, find ties uncomfortable. Could this be reviewed? | Mrs Collins will discuss this with the School Council and gather pupils' views.                                                         |
| School meal accounts<br>A parent was still having difficulty logging into School Food United.            | Mrs Cleall-Harding will investigate the login difficulties.                                                                             |

Please note: these are the responses and actions agreed at the meeting. Follow-up actions are not shown as completed.
