

Year 2 Housekeeping Letter

Terms 5 and 6 2017

In **English** we will be looking at another book from our Power of Reading collection. We will be using *The Lonely Beast* to write various genres. We will also be continuing to develop our creative writing skills.

We will continue to use the PAF's, which were given out at parent's evening, to evaluate the children's work

In **Maths**, we are working on word problems, fractions and general revision of all the skills taught over the year. Please continue to practise multiplication tables (2,3,5,10's) and number bonds to 20.

Again we will be continuing to use the PAF's to assess the pupil's level of maths over this term. These were given out at parent evening

In **S.P.a.G.**, We will be continuing to learn and apply new skills, please support your child by encouraging them to use full stops, inverted comma's (speech marks) question marks, exclamation marks, capital letters and commas when writing their spellings into sentences. We will be sending a short (5 minute) piece of homework throughout the week to reinforce what we have working on. Please complete this work with your child.

In **Religious Education** our topics will be Easter Tide and The Church is Born.

In **Science** we are continuing our topic- Animals and their habitats. We will be extending our knowledge by visiting The Rare Breeds Centre in term 5. We will then be learning about plants in term 6.

The children will be completing **SATs** tests during this term, it is therefore imperative that homework set is completed every week. Please support us with reading and homework.
